Highlights of History of St. Johns

- 1909** St. Johns beginning was on the second floor of Luxton School with a student body of ninety-eight and a teaching staff of four, and the principal was Mr. Campbell. The school colors brown and orange were chosen.
- 1912** At last with the completion of the building on Salter and Machray, St. Johns moved to its present site. At this time the grades consisted of one to twelve. St. Johns is the oldest Public High School that is still standing in the city of Winnipeg.
- 1914** With the outbreak of World War I, many of St. Johns students and staff enlisted in the different fighting corps. A plaque hangs on the wall of our school in memory of those who fought and died for our country.
- 1925** The first Student Government in Canada was organized under the capable leadership of the principal, Mr. Reeve. Throughout the past years, the students of St. Johns have conducted a Student Government of which we can be proud .

... fifty years of educating

1926 The first school yearbook, *THE TORCH* was published under the guidance of Mr. G. Snyder. However due to the lack of student participation its publication was discontinued for some years.

It was also in this year that the school was converted into A Senior High School.

1930 Once again, Mr. Snyder decided to try to publish a school yearbook. This time he had much more success.

1935 The Dalton Plan was instituted after a year's experiment. This plan was one in which greater responsibility was placed on the individual student. The period was divided into two equal parts. Half the time was devoted to formal lessons, and the rest of the time was given over as a study period. The results were very encouraging, but there were too many spare periods. There was no actual ending of this plan, but the teachers gradually reverted back to the old method. It was in this year that the school song "Jerusalem" was chosen.

1932 SOCCER TEAM

1939 Great changes took place at St. John's at the outbreak of World War II. Cadet corps, Red Cross and War Committees were organized.

1945 Mr. Ridd became Vice-Principal of St. John's. The first publication of the "Hi Freshman" and the system of bars and awards were begun.

1931 TENNIS CLUB

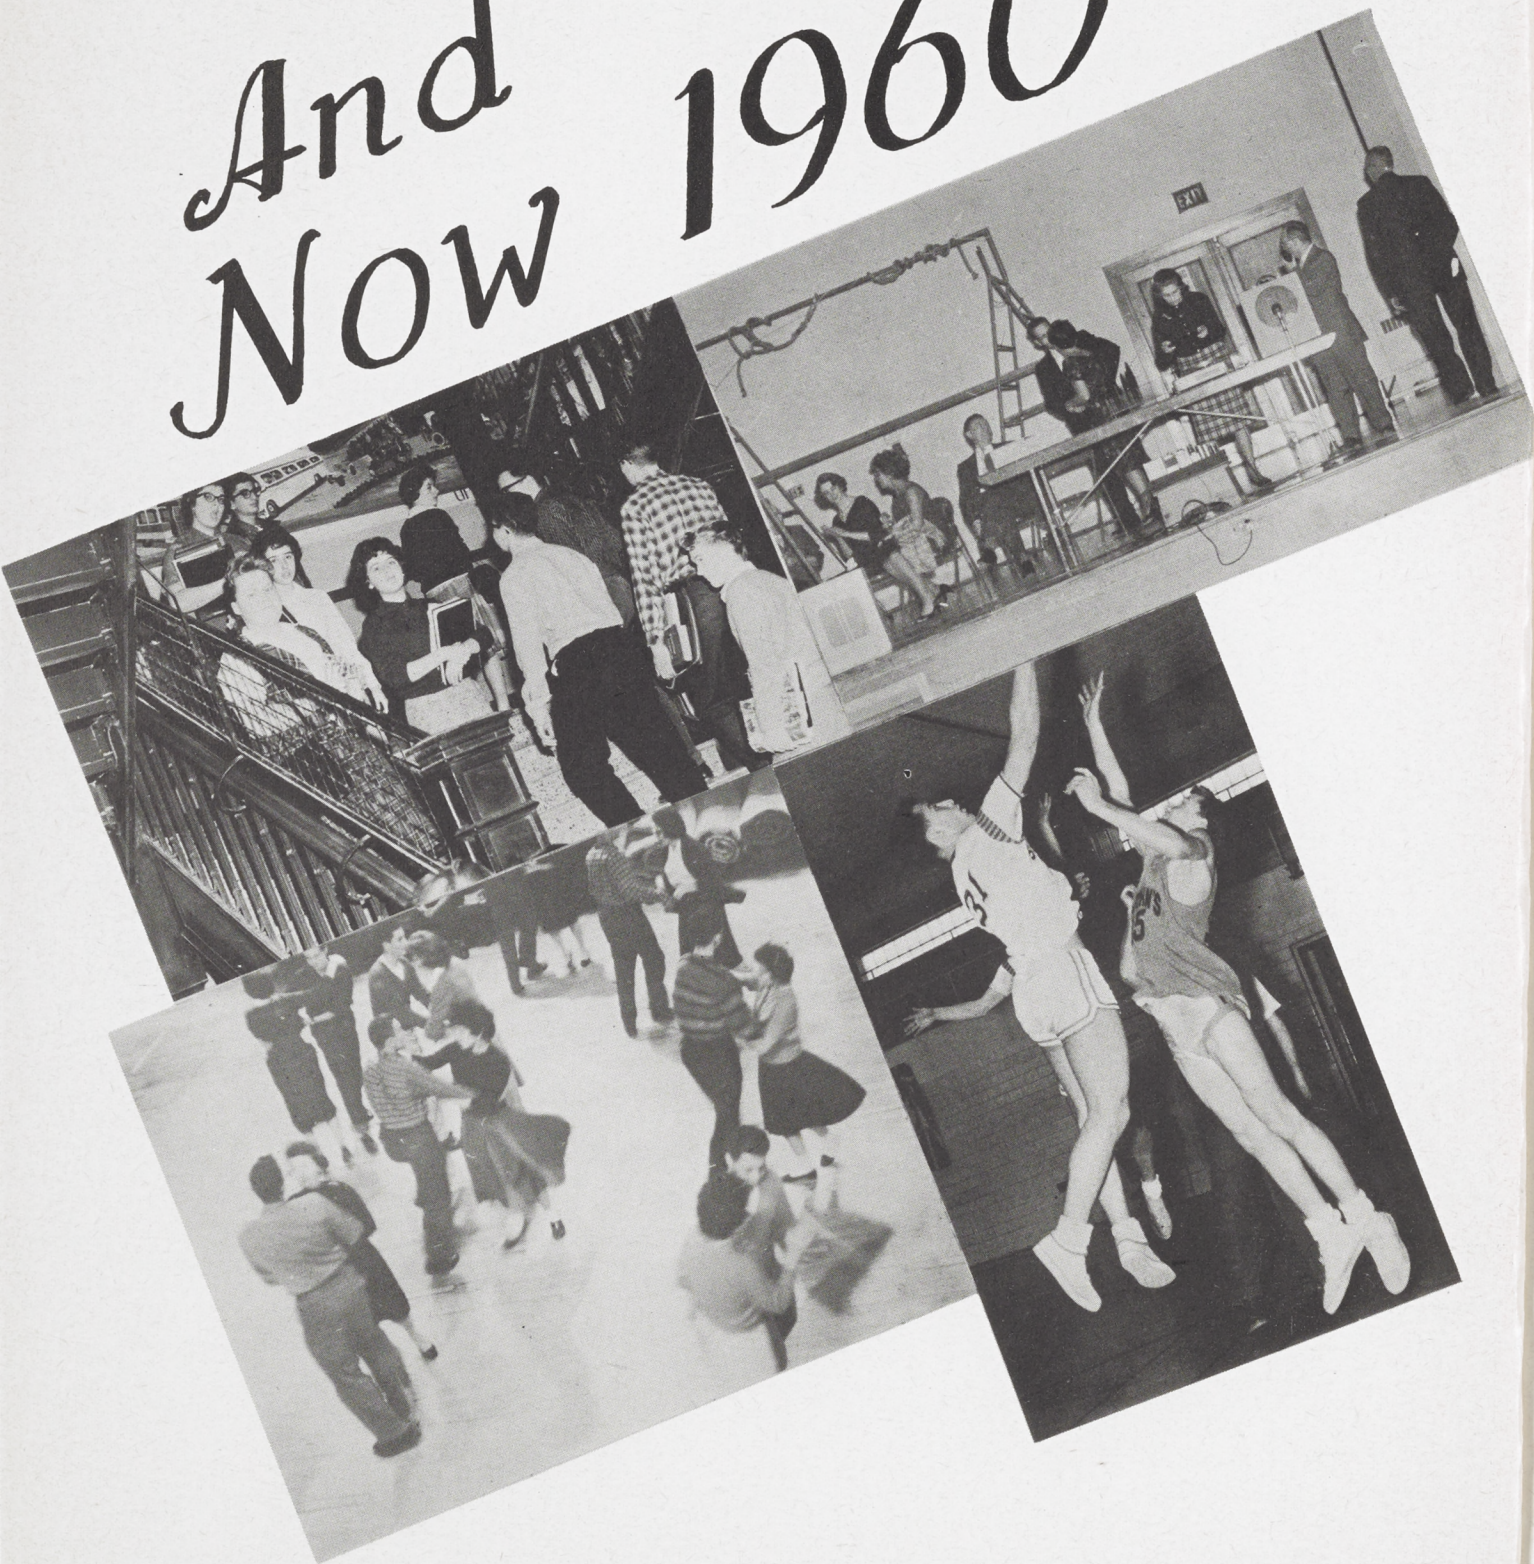

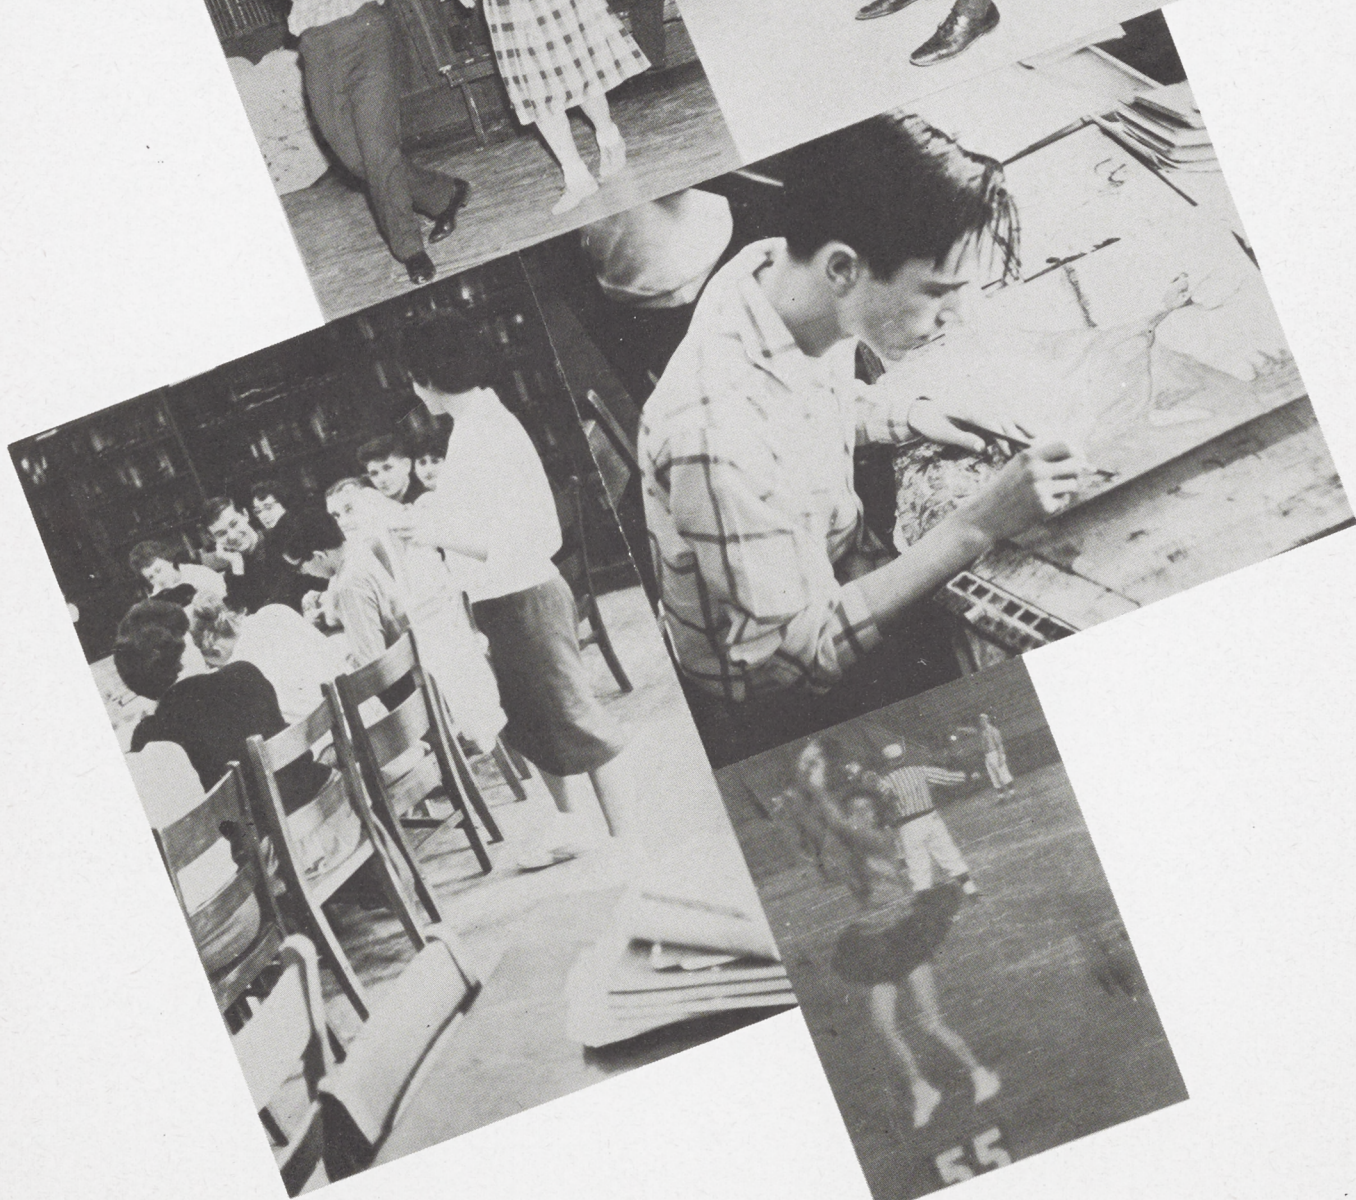

and serving the community

- 1948 St. Johns gained the highest number of points in the Inter-High Track and Field meet, shattering a 12 year losing streak.
 - 1952 Mr. Ridd succeeded Mr. Reeve as Principal of St. Johns. Miss McCord was Vice-Principal. With the opening of Tec-Voc, St. Johns changed from an equal amount of matriculation, commercial and industrial to almost all matriculation.
 - 1955 St. Johns students won three out of five awards given by Winnipeg High Schools.
 - 1957 The school got a face-lifting when the tower was pulled down.
 - 1959 A banner year in athletics with the Varsity team winning the City Basketball Championship and the boys gaining the highest number of points in the Inter-High Track and Field meet.
 - 1960 This year St. Johns saw the introduction and confusion of the six day week. The new addition to St. Johns was started. Some of the plans are used as background on page 2.
- Future**—The school will consist of grades VII to XII with probably fourteen hundred students to add to the spirits which will be better than ever.

Principal's Message

When Lord Tennyson wrote "The old order changeth, yielding place to new" he was stating a truism which will be exemplified this year in the history of this school and its Torch. During the years since the Torch was first published in 1926, St. John's has been a Senior High School—Grades X to XII and the only visible change in its exterior appearance has been the demolition of its tower a couple of years ago. Now we know that for the next year it is planned that there will be a huge addition to our building and we shall operate as a combined Senior-Junior High School with a staff and student body fifty percent greater than we are today. As I write, nostalgic memories of the old order dominate over the anxious apprehensions for the new.

As I look across my desk I see three Torch reporters scanning the Torches of the past for the names of St. John's students who have made some noteworthy contribution to our community, national, or international life. Their lists will be too lengthy for publication — they will be forced to adopt the

dangerous course of selecting only a few — and they will, moreover, be dependent upon the memories of persons associated with the school for students between 1912-26 when there was no Torch. They will, however, produce tangible evidence that this school, through its graduates, has made great contributions in the many phases of scholarship, citizenship and sportsmanship in Canada and the whole wide world.

To the graduates and students whose names and pictures appear in this issue of the Torch we express our sincere hope that each may find his or her proper niche in our Hall of Fame; — that they may show the courage and courtesy, the prudence and perseverance, the reverence for God and regard for others which will lead to a truly successful life.

"Self-reverence, self-knowledge, self-control —
These alone lead life to sovereign power."

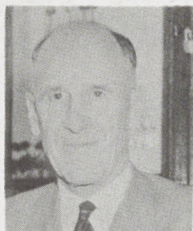

J. E. Ridd.

Editorial

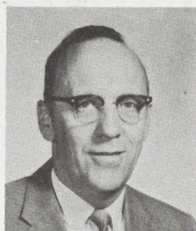

The success of yearbooks, year after year, seems to us to lie chiefly in the fact that they appeal greatly to the sentimentality so predominant in many people. Nostalgic memories are reawakened by the pictures of friends once so close. The flowery writing which describes all the school activities in a glowing light stirs the dormant memories of classes, school concerts, and clubs. There is no doubt about it, yearbooks have always had as their theme nostalgia and sentimentality.

The Torch of 1960 is no exception to this somewhat general rule. Indeed, since this is the fiftieth anniversary of St. John's, we, the editors, have tried to bring out in the following pages the tradition and the fine reputation which our school has established in the past five decades. We have tried to show the part St. John's has played in the academic field, sports and community life. If we have glorified the standing of our alma mater just a little, you must forgive us, for we are proud of St. John's and very justly so.

There are many people who will not hesitate to dismiss such words as "tradition" and "sentiment" under the heading of "corn." Perhaps they are right. However, we, the editors feel that on this auspicious occasion there is a justification for what might, at other times, be an overabundance of sentiment. As you flip through the pages of this annual, we sincerely hope that you will agree with us, for this Torch of 1960 is for all the students who have attended St. John's in the past fifty years.

The Passing of the Torch Stanley Schick to Jo-Ann Shelton

JERUSALEM

GOD SAVE THE QUEEN

VALEDICTORY

Once more we are at the close of the school year; we must now put aside our books and leave St. John's for the last time. In our imaginations there flashes before us a panorama of our favourite memories of high school. The exams we thought we'd never pass, and the mad cramming before them; the beautiful dancing that was put on by our students at the Variety Concert; the close scores at some of the basketball games in which St. John's was ahead by one point scored in the final seconds; the campaigning in which everyone joined at school election time; the day that Bob Fisher-Smith broke the record for the sixty yard dash; the time we spent in the halls, when we should have

been in our classrooms; the black day when the Techonian advertised that Club 41 would meet no longer; Mr. Pastuk's exercising his vocal cords during Phys. Ed. periods. Thus St. John's will be enshrined in the memories of its graduates.

As we pause we must turn our thoughts to the things that will face us in the future. The principles of humanity must be ever present in our minds. Let us never forget that a person is important just because he is alive, merely because he belongs to the human race. There are so many people, just like you and me, who are merely rusting in camps across Europe.

Refugee Year, sponsored by the United Nations, is just coming to an end. During the past year, I am sure that there isn't one of us here who hasn't been called upon to give aid. We at St. John's had a very profitable Refugee Week, in which we learned much of the Refugee Problem. This program was a project of the United Nations Club. The donations received were put to very good use by the United Nations. I feel that we should make every year our own Refugee Year. Regardless of race, creed, or colour let us never forget this principle from Holy Writ; "God hath made of one blood all nations of men for to dwell on all the face of the earth."

The world we are entering is less stable than the one we are leaving. The world is ever-changing, but we can always rely on the fundamental truths instilled in us to carry us through life's storms. Honor, honesty, courage, courtesy, charity, and faith in God's goodness are unchangeable.

Now is the time to think of the debt of gratitude which we owe to all those who have helped us during our short stay at St. John's. The work and time our teachers have devoted to us are immeasurable. To these people we are forever grateful. We can never repay the debt we owe to our parents for their love, praise, and guidance which they have given us all our lives. Lastly, we give our thanks to our school friends who have shared with us the feeling of belonging which we have experienced at our Alma Mater.

Where have the years gone? When we first came to St. John's we thought that the time for graduation was in the far distant future. Time seemed endlessly stretched ahead of us. All too soon, the years have flown, and now there are only a few days left until our high school days will be behind us. We are sad to be leaving St. John's, a place which has fostered our dreams and aspirations for the last few fleeting years.

Who knows what lies ahead? Whatever the future holds for us, we must always try to show our belief in mankind, and our loyalty to human brotherhood, and our highest ideals. As St. Paul says: "Whatsoever things are true, whatsoever things are honest, whatsoever things are pure, whatsoever things of good report; if there be any virtue, and if there be any praise, think on these things." We will hold the Torch high, in order that the traditions of St. John's may be carried by us into the world, and the future.

Honour Grads

Shirley Katz

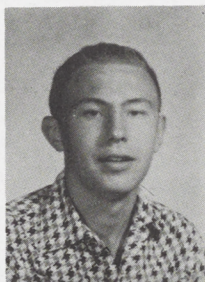

Governor-General's Medallist

This honour is reserved annually for the student who shows not only scholarship, but also takes part in and gives leadership in extra-curricular activities. This year Shirley Katz was the unanimous choice of the staff.

She had the highest average in the school, which also earned for her a Memorial Scholarship. In addition she also found time for the Ball Room Dancing Club and excelled sufficiently to be chosen to do the Cha-cha and the Tango at the Variety Concert. She was interested in Sports and took part in Field Day and edited the girls sports for the Torch. She did a fine job of representing our school at the Model United Nations Assembly and turned in a very creditable performance on the panel on the Warren Davis Show. She is also one of Eaton's Junior Executives.

We are proud of you Shirley and wish you good-luck in your future plans.

Ray Bursten Memorial Trophy

Dan Sernyk

This trophy, donated by the Bursten family, in memory of their son a former student at St. John's, is to be awarded annually to the best all-round athlete of the year. Dan Sernyk has justly earned this trophy this year.

He made the Rugby team but injury forced him out early in the season. He played Varsity Basketball. In Field Day he was in the High Jump, Broad Jump and Hop, Step and Jump as well as the Relay. Because of his success at our Field Day he is to represent St. John's in the High Jump and Broad Jump at the Inter-High Field Day. In addition he is a good student, good at Ballroom Dancing, and an excellent referee. Everyone finds him most co-operative.

Congratulations Dan!

RICHARD ADAMS . . . Richard is 37's likeable hardrock. Usually quiet, he changes character in chemistry, keeping Lil in stitches. Is the Chevy still giving you trouble, Richard?

PHIL ALTMAN . . . Phil played for the Tigers this year. Our married man can be seen talking to B.N. between classes or daydreaming in class.

WALLACE CHUBATY . . . Chubaty without Korytowski is like Velvel without Ricki. Wallace, another of our 9:01 and 1:31 men, also plays the piano. Ambition: to be Euclid's brother-in-law.

HOWARD COHEN . . . Techonian, curling, bowling, ad soliciting, ballroom dancing. Busy as he is, Howie finds time to obtain good marks. A "favorite" of Miss Ross.

WALLY DILAY . . . The hero of the tackle eligible play. Little John, our Jack-of-all-trades (right, Mr. Dack?) sings, acts, plays football, and keeps us and the teachers in stitches.

FAYE KETTNER . . . Faye is layout editor of the Torch, our Techonian rep., and a member of the bowling club. This small bundle of TNT gets good marks too!

BILL KORYTOWSKI . . . Football, hockey, and the other half of Chubaty-Korytowski Inc. Blue-eyed Bill should fulfill his ambition to be an accountant, for he knows the value of good figures.

JOHN KOST . . . John loves to tell us what happens at Sernyk's every Sunday afternoon. He can always be found talking to Dan, especially during history.

ANDY KRENTZ . . . Andy, one of Mr. Dack's clean-up men, plays basketball, tumbles and is on Eaton's Junior Executive. One of the few able to work in study period, he obtains high marks.

LIL MANDZY . . . This bundle of dynamite dances, is the Pep Club's bouncer and enjoys maths class. Usually in stitches, Lil is well liked and has a knack for getting into trouble.

CALVIN MELMED . . . The thinner half of Melmed & Cohen, Calvin is photography director and an ad solicitor for the TORCH. He will be rolling in wealth when he blackmails the people he's taken exposé pictures of.

LAWRENCE EDDIE . . . Likeable is the word for Lawrence, who believes that "silence is golden." A good student, he dislikes people who say his name backward, though it is much easier.

EUGENE GENNICK . . . Here is one half of the Gennick-Hnatko duo. Eugene is a quiet, industrious student who is seldom heard above the uproar of the room.

RON GENYK . . . Volleyball, soccer. You can hear Ron laughing at his own jokes in chemistry class. A member of the Krentz-Dilay-Genyk trio, he is a great kibitzer and an asset to 37.

LESLIE GILFIX . . . Here's some girl's dream boy who keeps a correspondence on all the school desks. A good basketballer and student, Les is also a member of the football team and the square dancing club.

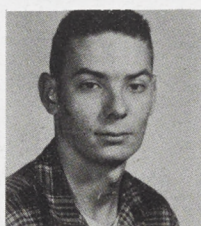

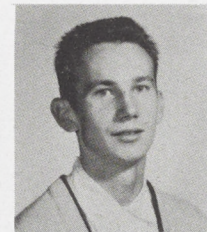

MURRAY GLOW . . . Murray loves tongue twisters, his favorite being "She sells sea SHELLS by the sea shore." A collection is being taken to buy him a new binder.

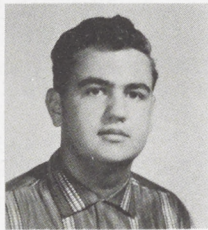

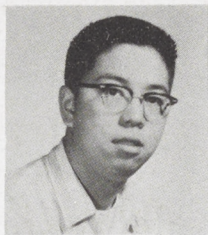

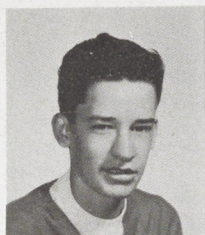

JUDY GORDON . . . A great asset to 37, Judy thinks gum and lit are synonymous. She participates in square and ballroom dancing, types for the Techonian, and is our able council rep.

DON HNATKO . . . This is the other half of the Gennick-Hnatko duo. Don is quiet but a great guy. He is a credit to room 37, for he comes to school under his own power.

MICKEY JANIS . . . The strong, silent type, Mickey keeps his assignments up to date and often lends his French to Doreen. The possessor of an innocent smile, he is well liked by all.

RICHARD KAPROWY . . . Mr. Dack's favorite questioner and God's gift to women (so he says). Five foot two and eyes of green, Richard is proud of his marks. "Mr. Kaprowy, you are a censitaire . . ."

LYNN MORRIS . . . Quiet because he was drowned out at the beginning of the year, Lynn is one of the few with his French done. He is a great guy, and managed good marks too.

RAYMOND NAKAMURA . . . Raymond can be found at the library every evening throwing things at D.R. Another member of the High Marks Association, he actually works during study period!

HARVEY PERMACK . . . Quiet Harv is a mathematical whiz and gets terrific marks in everything. He appreciates a good joke and is a swell kid. Hope you get that car, Harv!

DEEDEE POSNER . . . Inter-high Variety Concert Chairman, school vice-president, class pres., and president of the square dancing club. Modest and cheerful, Deedee is a class favorite.

MARK PROBER . . . A good looking fellow with natural curly hair, Mark gets high marks. His build resembles a Studebaker, but the girls seem to know in which direction he's going. Future: medicine.

SHARON RAYTER . . . Sharon, our capable secretary, keeps busy as circulation manager for the Techonian, working in the canteen, and square dancing. Future: first year University.

KEN REKUTRIAK . . . A faithful member of the football team, it was Ken who tackled Paterson, a fact he is proud of. Ken has fun noonhours playing football over our heads.

BILL ROSEN . . . Another of Mr. Pastuck's pride and joys, Bill is a fine tumbler and track and field man. He lends a hand in making our noon hours happy—especially on rifle club day.

DOREEN ROSS . . . A member of the Winnipeg Folk Singers, Doreen can be seen at the library every evening doing her homework with R.N. and B.E. Ambition: teacher. Fate: Mr. McPherson's helper.

CHARLES RUBIN . . . Chuck was a big aid to Deedee during her campaign. How's the tunic, Chuck? He seems to be very interested in plants, especially FERNS. The best of luck, Chuck.

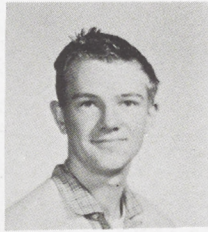

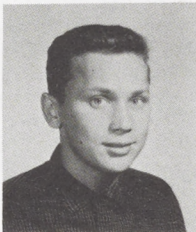

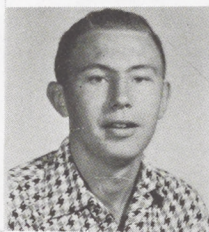

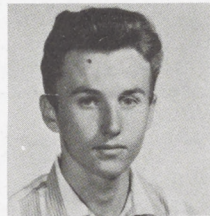

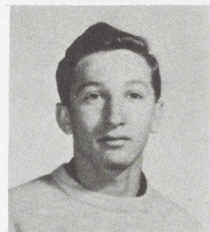

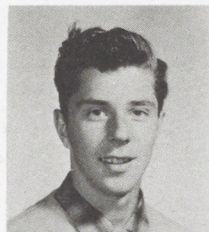

HANS SCHMIDT . . . Junior soccer, bowling. Hans, why is it you're never with us in spirit in lit? Are you daydreaming about someone? Kidding aside, he's a credit to our room.

SIDNEY SEGAL . . . Quarterback of the football team, Sid is one of Mr. Pastuck's favorites. He keeps in suspense while he opens his neatly wrapped lunch. Also enjoys annoying L.M.

DAN SERNYK . . . Dan can usually be heard, but is too tall to always be seen. A basketball player, he is also a good dancer. How are those Sunday afternoon shindigs at your place, Dan?

REEVA SHELL . . . Bowling, square dancing, ballroom dancing. Reeva glows from head to toe every morning from 9:05 to 9:06. She was voted "The girl you'd like to sit next to during exams."

MORTON STALL . . . Square dancing, curling. Morton loves TV westerns, especially "Marcia" Dillan. Although he's one of 37's shy guys, Morton is well known and well liked.

BILL WIESNER . . . You can sometimes hear one of Bill's jokes, if the noise is down to a dull roar. He gets high marks and is liked by all. Good luck, Bill.

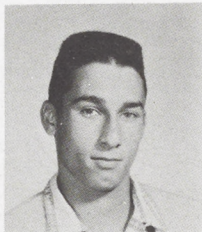

DAVE WEISTUBB . . . The TECHONIAN'S co-editor and Tech's news announcer is now working on a book: "How to Show Up Miss Ross". Despite his peculiarities, Dave's a swell guy to have around.

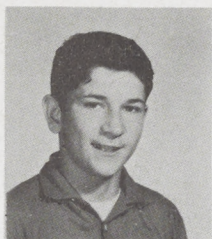

PAUL ZAKUS . . . Paul can usually be heard laughing at R.A.'s jokes during lit and English. Getting good marks, talking, and getting into trouble keep this lad pretty busy.

SHELDON BLANK . . . First string guard, bowling, chess. An accomplished table tennis player, Sheldon is a member of the "group" of S.B., R.B., V.T., and R.G.

RICHARD BORODITSKY . . . Curling, ballroom and square dancing, rifle-shooting, room social rep. The "Wynola" kid, 33's gift to women (so he says) is a member of the "group".

STUDENT COUNCIL 1960

The Student Council for the Year 1959-60 may have been a little slow in organizing but as time passed the council progressed greatly. For the first time, we have a study room which has been open to the students every day during the school term. Council members have acted as supervisors, and I would like to thank them for a job well done. The council has sponsored several successful socials and has worked very hard in planning a graduation dinner and dance. As a final conclusion to an excellent year, the student council sponsored a party to thank all the students that have participated in school activities throughout the year. In this final message, I would like to thank the members of my council for working so hard throughout the year and most of all I would like to thank Mr. Ridd, Mr. McFarlane, Miss Hodgson, and Mr. Romanow for their capable guidance in all our meetings.

The St. John's Warren Davis Show opened with a bang on March 28. Most notable was the absence of jive — not because we didn't know how, but because our waltzing, cha-cha, and rumba were better.

Girls' gymnastics was a first time feature for us, and Mr. Pastuck's boys gave their usually fine performance. There were interviews with president Stan Schick and vice president Deedee Posner, Bert Knazan and Bob Fisher-Smith. The panel discussion as usual solved all the world's woes.

A highlight of the show was the presentation of a beanie to Warren Davis by the Pep Club. Thanks to Deedee for her efforts here. As Warren put it — we should call it the Hi-Dy-Dee Show!

50 Year Old St. John's Will Be Replaced In Mystery-Filled Election

Editorial VIEWS

The Past: In years gone by St. John's has always had the support of student body. The students of a few years ago showed terrific support for school. Their spirit and devotion to make St. John's the "High School in Winnipeg" was the reason why St. John's won many championships. The Torch burnt

an, the Torch, and the for ample opportunity. One cannot find solutions for this students of St. John's to blame seems to be the only thing at the moment. The hope is that the derelict will be brought back to the fold. We are not going to let this happen. We are going to make sure that the Torch is the only one that is burning.

Another merry, noisy year for the Techonian with all editions over-subscribed and the paper operating in the black.

Like any good paper trying to increase its circulation, it was the centre of controversy occasionally and particularly with the Student Council. Frankly expressed views on both sides probably did a world of good in straightening out thinking and responsibility and should lead to improved relations in the future.

We would like to thank Miss Bokofsky for her assistance and counsel during the year, and to the student body who loyally supported us by buying the paper.

Social Life

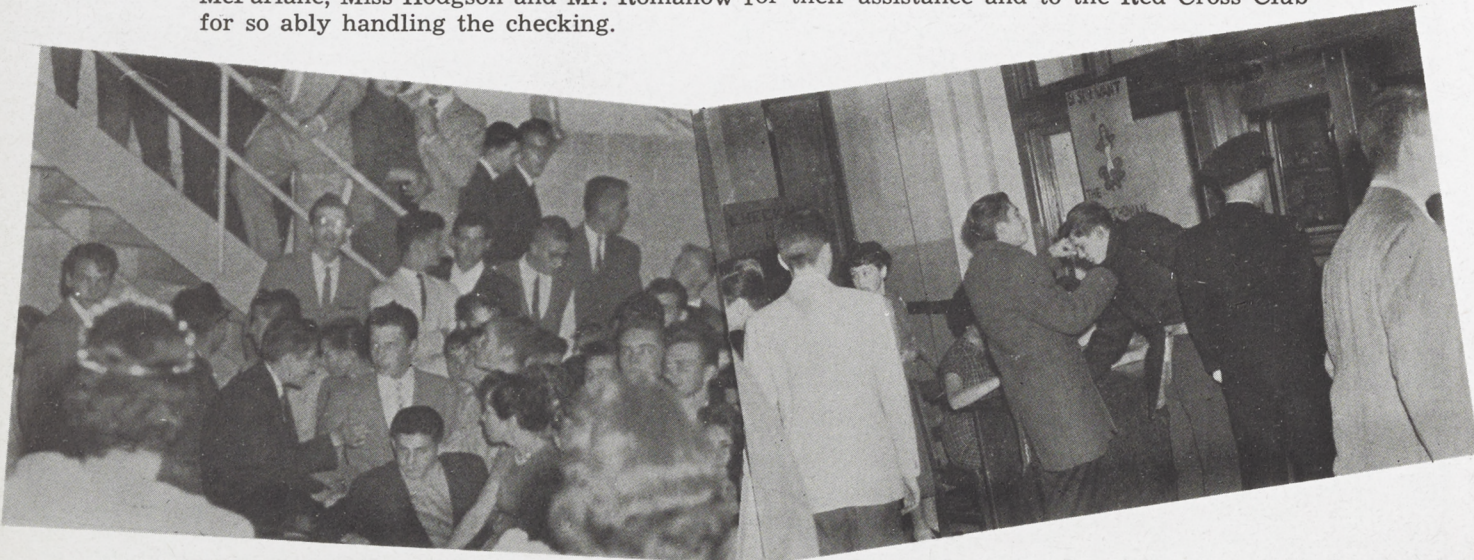

No student with a yen for dancing could complain this year regarding the number of dances.

Carol Glesby was elected Freshie Queen at the first dance of the season and from then on it was a ball. The Ball Room Dances were hardly over before it was time for the Christmas Cheer Dance which enabled us to provide twenty-six hampers for the needy.

The spring term saw a successful Torch Dance, and the Soph Spring Prom, which for the first time in years, had a real live ten-piece orchestra featuring our own Andy Pololinski. Lovely Dianne Weremy and handsome Ken Rekrutiak were crowned King and Queen of the Prom. It must have been some event for the Torch photographer landed in hospital after taking pictures at this event.

The year will be climaxed by a Graduation Dinner and Dance at the Marlborough.

A hearty vote of thanks is extended to the Social Committee for all its work, to Mr. McFarlane, Miss Hodgson and Mr. Romanow for their assistance and to the Red Cross Club for so ably handling the checking.

Glee Club

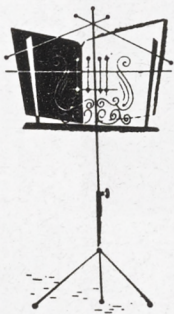

The St. John's Glee Club under the capable leadership of Miss Knapp has won great recognition throughout our city.

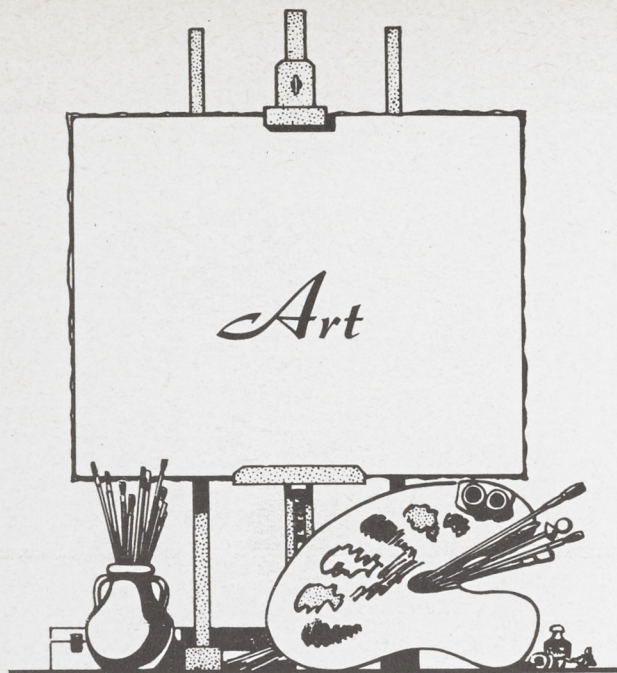

The Glee Club is composed of both the girls and boys choirs. The lucky boys are out-numbered three to one.

Prior to the Christmas Holidays the Glee Club could be heard on an "Elementary School Broadcast," which was taped at the C.B.C., and broadcast right across the country.

The Glee Clubs second feat was their performance at the school's variety concert. Their selections from *Carousel* received great applause from the audience.

On June 10, the Glee Club gave their final performance of the year. Their performance at Graduation brought to a close a very successful year for the St. John's Glee Club.

LITERARY

I STILL REMEMBER . . .

Doris Finkel

I still remember my first visit to a cemetery. It was my grandfather's funeral which brought me through those ornate iron gates for the first time. I remember it with all the vividness and clarity with which you recall the affairs that have left a deep impression on you. The rain was falling in a gentle mist, shrouding the figures of the friends and relatives who had been able to attend. It was a pitiful gathering. My grandfather's friends were old and ragged, and more interested in seeing how many of their friends were left than in expressing sorrow. The death of a friend was a commonplace event to them. As for me, my tears were for my mother. Struggling to control my emotions, I bit my lip and looked down at the flowers heaped profusely on the coffin lid. The exotic blooms were in sharp contrast with the dark, sombre habits worn by the mourners. As the immediate family gathered by the graveside for a final look at the coffin, I thought of the lines from Shakespeare—

"And all our yesterdays

Have lighted fools the way to dusty death."

Looking back at this experience, I realize that the melancholia and depression I felt were due partly to the over-dramatization which is so characteristic of youth. But I still remember tenderly the feeling of awe and reverence with which I went to my first encounter with death.

THAT'S LIFE!

—Audrey Bitser

"Life is what you make it."
That's what some people say,
But what about the how and when
And if and come what may?

What about your enemy
And your so-called friend?
What about the days you feel
"Will it never end?"

What about the things you do
Along your road of life?
And what about the hardships
And the struggles and the strife?

What about the children
You plan to have someday?
And last, not least, what about
"What can I do today?"

SMILE!

To make life happy for everyone,
To make life really worthwhile;
To make life cheery and full of fun,
To make it wonderful, smile!

A kind thought here, a kind word there,
Makes this a world worth living in;
A cheery thought, which one can share,
To make a frown turn to a grin.

If you're angry or perplexed with sorrow,
Or your work has begun to pile,
Don't delay until the morrow,
Clear up troubles with a smile!

Everyone must live through life,
So why not make it pleasant?
Live in harmony, not in strife,
Give happiness like a present!

—Judy Goodman

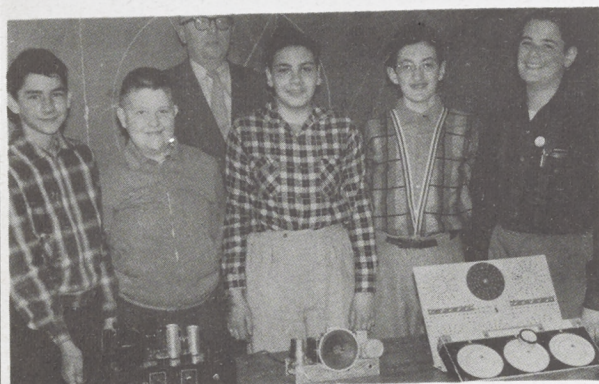

HI FRESHMAN!

Hi Freshman!, a guide to life at St. John's, is written, published, and distributed by our students. It is given to all freshmen early in the fall, and offers them information about school activities, the teaching staff, our history and traditions, rules and regulations. Ruth Lucow and Ethel Silverman were the editors this year. They were assisted by Leo Panich and Marcia Rosenstock.

BALLROOM DANCING CLUB

The new Ballroom Dancing Club was directed by Mrs. Gannon, with the help of Shirley Katz and Caroline Lithown. The tango, fox-trot, samba, cha-cha, rumba and waltz were some of the dances learned. Various dance routines were performed at the Variety Concert and on the Warren Davis Show.

SCIENCE CLUB

The newly formed Science Club had a membership of about 35 students. At the beginning of the year, Mr. Brown and 15 students planned a varied program. For photography bugs, a number of special events were planned by Mr. Diamond. Mr. Laycup met with those interested in the Science Fair. The club hopes to have a considerably larger membership next year.

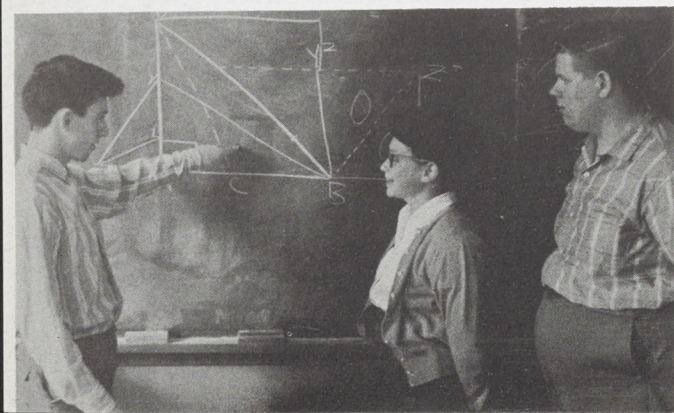

RED CROSS COUNCIL

The Red Cross Council was composed of chairman Susan Weidman, co-chairman Myra Zechoval and elected representatives from each room. A toy drive, the first ever organized by the Council, was eagerly taken up by the student body. Next on the agenda was the Christmas Cheer Drive. Two special hampers were prepared for diabetics. The Christmas Cheer Dance on December 4th was successful. A special thank you to Miss Hodgson and Miss Handel for their co-operation.

MATHEMATICS CLUB

The purpose of this club is to widen the interest of the students in the field of mathematics. The president is Marvin Slutchuk, and the teacher instructor is Mr. H. Pollock. The entry fee to this club is something a little different. The entry fee is a six page essay on anything pertaining to mathematics. The main project of this club was the computer machine.

UNITED NATIONS CLUB

The United Nations Club was formed to prepare students for the Model United Nations Assembly (MUNA). In addition to studying U.N. structure, the club's program included adopting a child in Europe, and showing a film on refugee problems. Ruth Lucow is president and Miss Whiteside sponsors the club.

CHESS CLUB

The Chess Club was one of the most popular clubs at St. John's this year. Because of the large membership, the club was divided into two groups. Meetings were held Tuesdays and Fridays under president Norman Gardner and secretary Shirley Wish. New chess sets were supplied this year. Thanks to Mr. W. P. Johnson for his co-operation.

SQUARE DANCING CLUB

This is the third year that Mr. Romanow's square dancing group has been in existence. This year the club was divided into two groups because of the large membership. The group, under president Dee-dee Posner, has had an enjoyable year.

DRAMA CLUB

The Drama Club, headed by Ruth Lucow, Doris Finkel, and Joyce Shapiro, met Monday noonhours this year. Many members of the club performed in the one act play presented at the Variety Concert. The play was directed by Miss Ross. The club also planned to present a three act play for the student body later in the term.

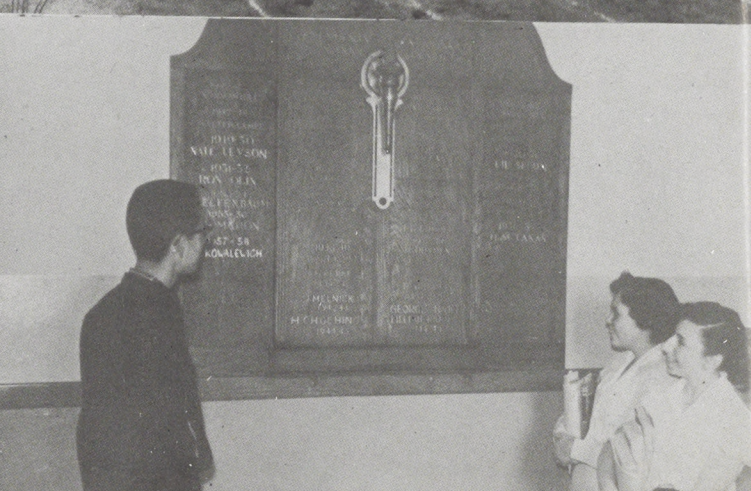

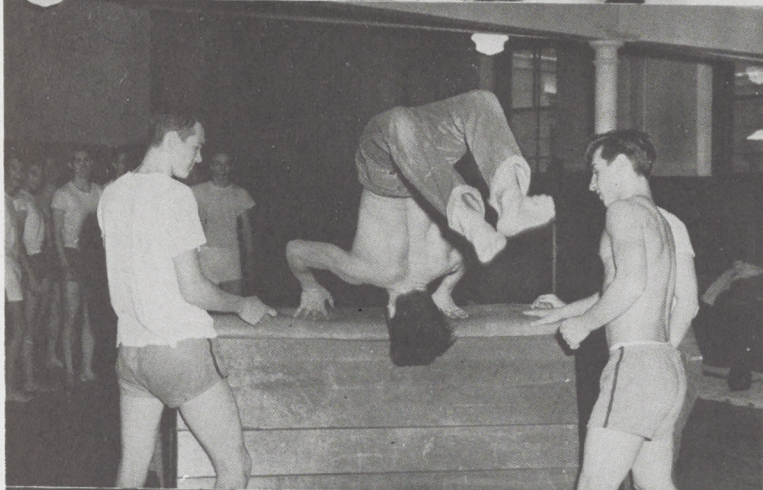

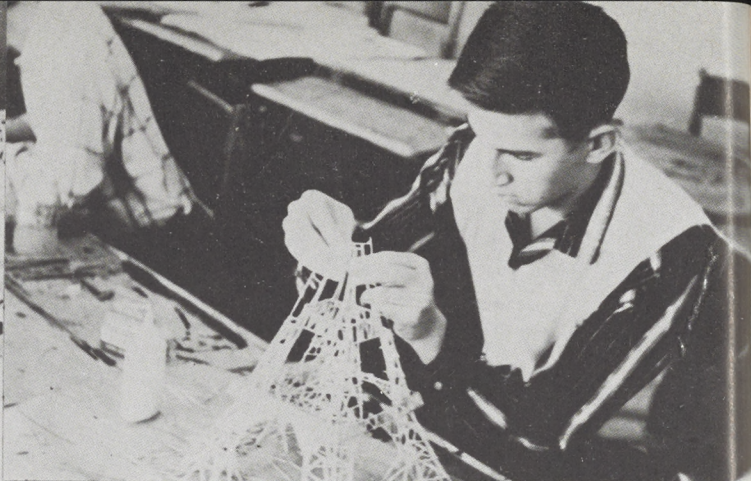

FRENCH CLUB

Members of the French Speaking Club can be found "parlez-vous"ing Thursdays at noon. The purpose of the group is to entertain while providing instruction in French. The club is sponsored by Miss Bokofsky, and its president is Valorie Melnyk.

INTERNATIONAL CLUB

The International Club met Wednesdays with Miss Vant and president Terry Hrynuik. Debates were held between certain countries, with two students representing each country. Reports were given at every meeting.

TIGERS TIE TWO

The 1959 edition of St. John's football team was certainly an improvement over the previous year's. Last year the boys lost all their games; this year, they managed to tie two. The team was supported by only one third year man, Wayne Wagner. More such players might have done the trick and given them a much-desired win. As it was, they relied greatly on a crop of rookies, who, on the whole, didn't have the experience to produce a victory.

Finishing the season with two points gave our boys sixth place in the league standings. Those rookies will be sophs next year—watch out for the Tigers then.

Varsity Team

St. John's Varsity basketball team coached by Mrs. M. McPherson finished the season in fifth place, winning six and losing eight.

They started the season in fine style with a decisive victory over Elmwood, winning 82-49. Alan Melnychuk topped the score sheet with 22 points.

This victory, however, was followed by three consecutive losses. Our boys lost to Kelvin 61-60, to Tec-Voc 64-49, and to D.M.C.I. 54-53. In all three games Nick Yacheson was top scorer.

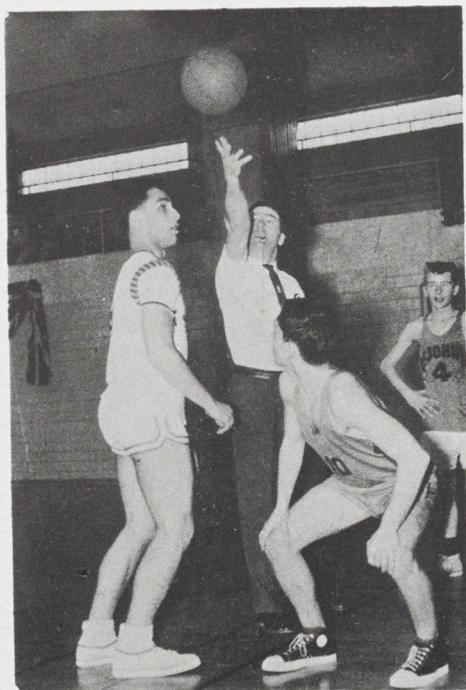

In their next game they redeemed themselves, defeating Churchill 57-49. Mike Olinyk turned in a tremendous performance by scoring 22 points.

But Lady Luck certainly did not favor our Tigers. They again suffered defeat, losing to Sisler 69-50 and to Gordon Bell 58-44. In these games, Nick Yacheson, Mike Olinyk, and Danny Sernyk performed commendably.

Then the Tigers scored four consecutive victories, defeating Tec Voc 57-51, D.M.C.I. 74-65, Churchill 60-54, and Elmwood 58-50. Les Gilfix and Tom King, in addition to the three mentioned above, played outstanding ball.

St. John's then played their last three games, losing them all. Sisler overpowered them 76-52, Gordon Bell 49-41, and Kelvin 65-48. Mike Olinyk and Danny Sernyk battled for a losing cause.

Congratulations are extended to Mike Olinyk for receiving a place on the first team of the city's All Stars.

Freshman Team

With three wins and five losses, St. John's Freshmen, coached by Bob Kingsmill, placed fifth in the league. Their fine team spirit provided the school with entertaining basketball.

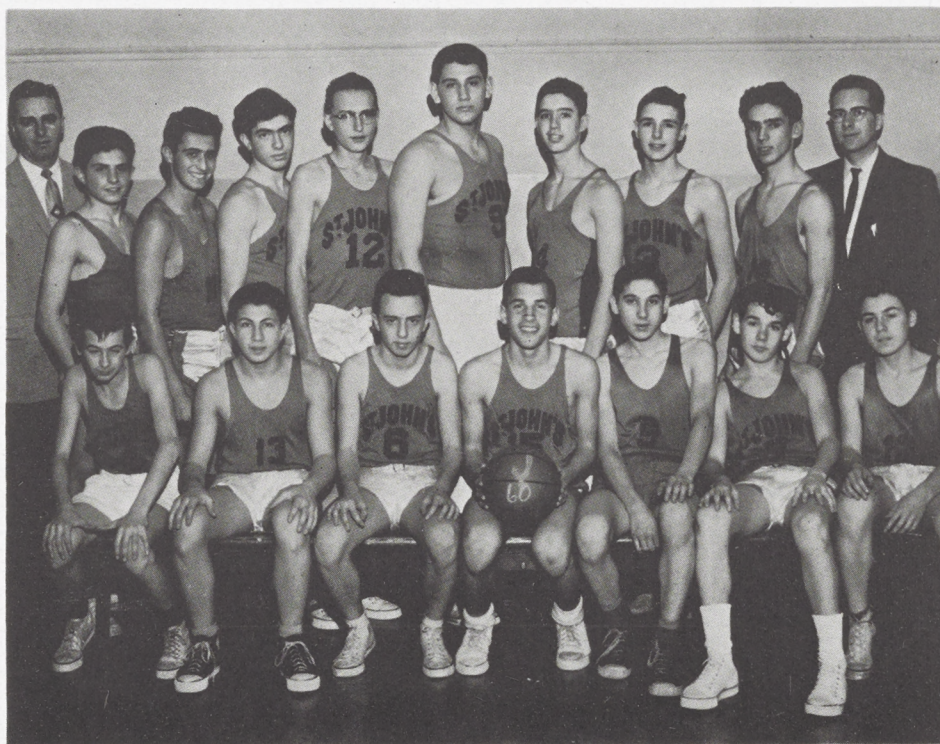

In their first game, St. John's defeated Elmwood 46-35. But in their second outing they lost to Tec Voc 42-30. In this game, Sheldon Diamond scored 17 points.

In their next game they defeated Churchill 33-17. Again Sheldon Diamond was top scorer, this time with 10 points.

St. John's was beaten by Sisler 35-32. They edged Grant Park 42-41, with Diamond and Brian Thompson receiving top honors.

D.M.C.I. slipped by our boys 34-31. Gordon Bell trounced them 44-24. In their final game, they were beaten by Kelvin 46-38, despite the valiant effort of Diamond, who continued to dominate the score sheet.

Finally, congratulations to Sheldon Diamond for being selected for the first team of the Inter-High All-Stars.

BACK ROW (l to r) — M. McPherson, Gary Robin, P. Goldstein, Gary Robin, A. Pokolinski, S. Diamond, J. Rusen, J. Williamson, A. Greenburg, H. Promislow.

Girls' Basketball

Seniors

This year the senior girls achieved a certain measure of success — they managed to reach the semi-finals. In their first game they completely outplayed Tec Voc to win 29-22. Then they went on to beat Elmwood and Daniel Mac. But the game with Daniel had to be replayed because of an unintentional infraction of the rules on St. John's part. Nevertheless, our seniors won the second time also.

The girls lost their games against Churchill, Kelvin and Gordon Bell. Thus, with three wins and three losses, they were in the semis, only to be beaten by Kelvin 25-16.

Special thanks are extended to coaches Jim Jacques and Charley Collins for the tremendous amount of hard work they put in. Also, thanks go out to Mrs. Gannon for her profound interest in the team.

BACK ROW (l to r) — Charles Collins, Diane Meder, Shirley Katz, Mrs. S. Gannon, D. Wilson, Christel Simonis, Nina Frances, Jim Jacques.
FRONT ROW — Phyllis Dudeck, Maxine Handler, Lil Leb.

FRONT ROW — Kim McRae, Alison Barbour, Vivian Kostjuk, Louise Richot, Marnel Haines, Brenda Ash.

Lack of co-operation and teamwork accounted for many Junior losses. At some games, however, they did show spirit and enthusiasm, managing to come up with one deserving victory, 21-12, over Grant Park. In this game, the team's ace, petite Marnel Haines, scored 13 points for St. John's. Other fine players who distinguished themselves throughout the season were Pat Clements, Vivian Kostiuik, and Louise Richot.

The team's coaches, Norman Gardner and Maurice Lecker, spent most of their time trying to improve the girl's knowledge of basic basketball skills. Their efforts are greatly appreciated, as are the efforts of Miss Robinson and Julie Luby, the two managers.

INTER-HIGH BOYS VOLLEYBALL

The senior boys volleyball team, although it lost both its games, did not get a real opportunity to show their skill. The boys were entered in a tournament held at Elmwood School, against Daniel McIntyre, and Elmwood. In their first game against Elmwood, they lost by a fairly wide margin. However, in the second game they improved tremendously, and gave Daniel McIntyre quite a run for their money, but petered out near the end. The team's failure may be contributed to lack of experience, and if another team is formed next year, these boys should form the nucleus of a championship team.

GRADE IX BASKETBALL

The Grade IX basketball team, coached by Mr. Pastuck, won six of their seven league games and reached the city finals this year, only to be defeated twice in a row by J. B. Mitchell. The score of the first game was 34-31; the second score was 40-28. Outstanding players throughout the season were Garry Feldman, Dennis Stewner, Bob Shaley and John Lamb.

BACK ROW: Karin Rosenbaum, Jo-Ann Shelton, Carla Ditor, Jeanette Letendre, Cheryl Kist.
FRONT ROW: Kathleen Davis, Noelle Rebchuk, Marilyn Lewicki, Alison Barbour.

GRADE X INTER-ROOM VOLLEYBALL CHAMPS

The Grade X Inter-Room Volleyball championship was won by Room 18. Out of the ten games they played, they won all but one. After defeating Room 38 in a very close game, they went on to play a challenge game against the Grade 12 team. This game was won by the Grade 12 team.

INTER-ROOM VOLLEYBALL CHAMPS

Back Row: Barbara Levin, Carolyn Olson, Janet Scott, Dianne Gillies, Joan Scott, Sharon Keil, Mary Sobczyk.

Front Row: Joanne Kosmuk, Christal Simonis, Phyllis Dudeck, Carmen Kostanik, Marilyn Greenspan, Jeannette Karpinka, Cynthia Minuk.

Gordon Kardashinski, Art Ibbott, Bob Brooks, Larry Schoettle, Peter Wagschal, David Dubincoff, Fred Pesclevich, Norman Gardner.

INTER-ROOM HOCKEY

This year's inter-room hockey champs hailing from Rooms 33-15, went through the entire season suffering only one defeat. The final game against Room 40 was played at the Olympic Rink. There was sparkling play by both teams, but it was Rooms 33-15 who won, 6-5.

The outstanding members of the winning team were Gordon Kardashinski, Art Ibbot, Larry Schoettle, Fred Pesclevich, and goalie Bob Brooks.

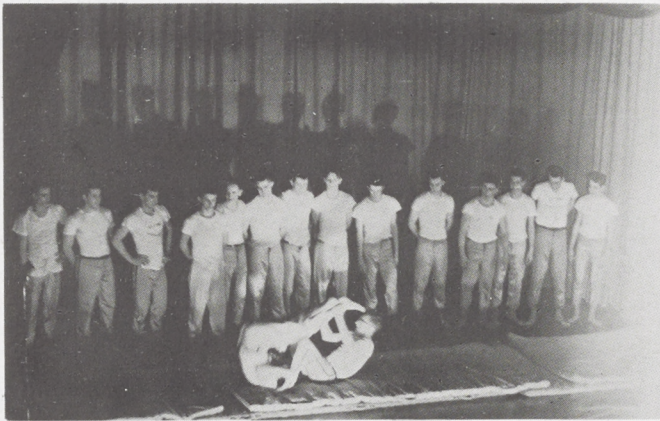

ST. JOHN'S CHEERLEADERS

St. John's Cheerleaders, in trying for top honors in the cheerleaders contest at the Red Feather Tourney, left no doubt that they were just about the best in the league. The girls, Virginia Ewaskiw, Marlene Hrabec, Shirley Katz, Lil Leb, Linda Patrug, Judi Ross, Ruthie Soudack, Donna Wilson, and Diane Meder, captain, performed at pep rallies and at football and basketball games. Their spirit and performance are to be commended.

CURLING

St. John's Curling Club with Richard Boroditsky as President, Howard Blatt as Vice-President, and Norman Freedman as Secretary enjoyed a very successful year. They entered three teams in the High School Bonspiel. And, although these teams skipped by H. Blatt, M. Lecker, and S. Kane didn't win, they performed commendably.

The Grand Aggregate winner was Howard Blatt and the Club Champion was Richard Boroditsky. The winner of the Knockout Tournament was Maurice Lecker.

BOWLING

This year, the student organizer of the bowling club was Marilyn Greenspan. Her work and efforts did much to make the club a success.

The girls' high average winner was Sylvia Gall, with a score of 161. The boys' top average was held by Ron Zimberg with a score of 192. The winning room team came from Room 15. The members of that team were Rubin Todres, Gilbert Hecht, Gerrie Bodner, Barrie Chester, and Sheldon Stier.

TUMBLING CLUB

Mr. Pastuck's boys, led by Bert Knazan, have had a banner year. Their display at the concert and on T.V. was greeted with enthusiastic applause. The group met regularly and every boy acquired a high level of skill. Now we have got a trampoline there will be a

RIFLE SHOOTING

Under the capable guidance of Mr. Vause and president John Duncan, the rifle shooting club enjoyed a very successful year. The club members met every Monday, Wednesday and Friday at the McGregor Armories to learn the techniques of handling a rifle.

The "Nonsuch" Carried The First Cargo Of Furs To London

In 1668 the Nonsuch, a fifty ton ketch sailed from London to Hudson Bay carrying a cargo of trade goods. The fate of the Hudson's Bay Company, and indeed, of western and northern Canada depended on the success of her voyage, for Groseilliers and Radisson had described to King Charles the wealth of furs found in the New World, but the existence and accessibility of this wealth had to be established. The valuable returning cargo was hailed with joy and the company of court Gallants who backed the adventure was incorporated, on May 2nd. 1670, as "The Governor and Company of Adventurers of England trading into Hudson Bay."

Lives Better Electrically

Latest statistics show that Canadians use more electricity in their homes than any other people on earth — an average of over 3,700 kilowatt hours per year or 20% more than the average U.S. household. And consumption is more than doubling every decade.

Even more significant is the fact that right here in the city of Winnipeg the low electric rates have encouraged the use of electricity to the point where the average home uses approximately 7,700 kilowatt hours each year, or over twice the national average. Winnipeg, indeed, lives better electrically.
